<b>03.</b>	<b>Discussion with Chloe Parry (NC&amp;YC Youth Worker) about the involvement of young people</b>  Chloe commenced her 3yr full time youth worker post in Jan 2013, which is funded by the Rank Foundation. Chloe organises various youth groups within the Neston area. PB reported CSG has had limited success in getting young people involved in NP. PB and DW to visit youth groups and work with Chloe. DW will attend meetings with school heads this week and said that local schools are enthusiastic and wish to be involved in NP. Chloe is not in favour of a children's questionnaire as it will not engage young people. Each school has a school's council, with representatives from each class. It should be up to schools to come up with ideas, with support from CSG. Chloe suggested, for example, a historical graffiti timeline. This will encourage young people to participate.  1 <sup>st</sup> phase – schools devise their own type of activity, based on Neston 2030 Newsletter.  2 <sup>nd</sup> phase – schools devise how to communicate the Neston Draft Plan to young people.  PB, DW and CL to formulate ideas for schools with Chloe's assistance.	PB, DW  PB, DW  CL
