	Date	12 April 2022
	Document	Ref No
	Governance & Operations Manager's Report	CE12/157

Allotment Tenancy Renewal (minute 142b, 01/03/22)

The online tenancy renewal system has been renewed. By the renewal date the cost was fractionally more than the £80 agreed on 01/03/22. Renewal cost was \$108 USD.

Allotments – Plot Availability

A half plot has become available on the Raby Park Road site. I am hoping to get this plot reassigned by 1 May.

A full plot will become available on the Marshlands Road site at the end of June. It is my intention to split this into two half plots and I am aiming to assign both before the end of July.

Defibrillators (minute 149, 01/03/22)

The website has been amended to include the grants programme for defibrillators. We will be compiling an up-to-date inventory over the next few weeks and then will then publicise on AMA.

Remembrance Sunday

Discussions with the Royal British Legion (Neston branch) and CWaC are ongoing.

Planning Application Appeal

Planning application 19/02087/FUL, Brook Meadow, Church Lane, Neston (erection of retirement living accommodation (Category II type) together with communal facilities, landscaping and car parking).

An appeal has been made to the Secretary of State against the decision of Cheshire West and Chester Borough Council to refuse to grant planning permission for the above proposal. All representations have been forwarded by CWaC to the Planning Inspectorate.

Bench – St Mary's & St Helen's

The Town Council bench in the grounds of the parish church is in need of repair (screws/nails have parted at the back and it is now bending in the middle). It is currently being assessed to see if it can be repaired.
