

NESTON LOOKING BETTER WORKING GROUP TERMS OF REFERENCE (Updated by Places Committee on 04/06/2019)

Membership

Up to seven members consisting of at least two town councillors plus volunteers from the community interested in making improvements to the local environment.

A town councillor to be appointed as lead.

Purpose

1. To consider ideas put forward by group members to improve the local environment and make recommendations to the Places Committee. Improvements may include new planting or improvements to areas or physical structures which enhance the local area and bring Neston's profile to the notice of residents and people outside the area.
2. Over time to bring forward proposals as detailed in Appendix M of the Neston Neighbourhood Plan:
 - a) Clayhill Business Park
Provision of landscape and environmental improvements.
 - b) Environmental Improvement Corridors
Innovative landscape and public realm improvement along the following corridors – Liverpool Road, Burton Road, Boathouse Lane, Raby Park Road, Wirral Country Park and Burton Marsh Greenway.

Meetings

Notes will be taken at Working Group meetings recording members attending, items discussed and recommendations for the Places Committee.

Notes to be sent to the Governance and Operations Manager.
