To consider storage capacity in the Town Hall basement to accommodate records collected by The Neston History Society.

Background

Over many years the History Society has researched our Town and area history. They have produced material for several exhibitions in the town and accumulated a great deal of valuable details about Neston and its place in the area.

Sadly, it's members are aging and the society is looking to find a safe home for this valuable source of our history.

Proposal

To consider providing delegated authority to the Market Manager, in liaison with the Mayor, to assess capacity within the basement and liaise with the History Society and approve the space available for their use.

The report to go to the next Town Hall & Market Committee.

Cllr P Kynaston
Mayor
