DATE & MINUTE REFERENCE (Council)	M&TH 27.09.22 item 38
DATE OF NEXT REVIEW	April 2024

A. PURPOSE OF THE POLICY

The Union flag (commonly known as the Union Jack) is one of the best-known national symbols in the world. It should be displayed only in a dignified manner befitting the national emblems. It should not be displayed in a position inferior to any other flag or ensign. The Council is free to fly the Union Flag at its discretion, as no permission is needed to fly the national flags and they are excluded from most planning and advertising regulations (but flagpoles may not be).

This policy has been adopted in relation to the flying of flags at Neston Town Hall flagpole. This policy standardises procedures to make it clear which alternative flags can be flown in addition to the Union flag.

1. MANAGEMENT OF THE POLICY

The day-to-day management of the flying of flags at Neston Town Council will be overseen by the Council Manager via the Senior Market & Support Co-ordinator, who looks after the building. Any change from the Policy as stated would be subject to consideration and approval by the Council via its Finance & Admin Committee.

2. THE UNION FLAG - FLAG FLYING DAYS

The Union Flag will be flown at full mast at the Town Hall on the designated days for Union Flag flying as recommended by the Government, (flag flying days) with the additional date of the election of the Neston Town Mayor in May*. See dates below, page 3. The Government periodically updates its list so this would be to be regularly checked by the Town Hall Manager (SM&SC).

Note: * = date fixed annually.

The correct way up for the Union Flag when flying is with the broader diagonal white stripe at the top left-hand side of the flag nearest the flagpole:

- correct

-wrong

The Union Flag must always be flown in a 'superior' position:

- On the highest flagpole.
- On the centre flagpole, where there is an odd number of poles of the same height, or

- On the left centre flagpole, viewed from the front of the building, where there is an even number of the same height.

3. FLYING THE UNION FLAG AT HALF MAST

Flags should be flown at half-mast (i.e., two-thirds of the way up the flagpole, with at least the height of the flag between the top of the flag and the top of the flagpole) at the Town Hall on the following occasions:

- ☐ From the announcement of the death until the funeral of the Sovereign, except on Proclamation Day, when they are fully hoisted from 11am to sunset.
- ☐ The funerals of members of the Royal Family, subject to special commands from Her/His Majesty in each case.
- ☐ The funerals of Foreign Rulers, subject to special commands from Her/His Majesty in each case.
- ☐ The funerals of Prime Ministers and former Prime Ministers of the United Kingdom, subject to special commands from Her/His Majesty in each case.
- ☐ Any other occasion where Her/His Majesty has given special command.

If a flag flying day coincides with days for flying flags at half-mast, flags should be flown at half-mast unless special commands are received from Her/His Majesty or Government to the contrary.

When a flag is to be flown at half-mast it should first be raised all the way to the top of the mast, allowed to remain there for a second and then be lowered to the half-mast position.

When it is being lowered from half-mast it should again be raised to the top of the mast for a second before being fully lowered. When a British national flag is at half-mast, other flags on the same stand of poles should also be at half-mast or should not be flown at all.

On days that are not subject to the existing flag regulations, the Neston Town flag, together with the Union Flag may be flown.

4. NESTON TOWN FLAG *(Purchase to be considered following agreed Branding design, for interim period, the Union Flag will be flown)

The Neston Town Flag should be flown:

- ☐ On the day of the Annual Town Meeting.
- ☐ Annual Council Meeting (Mayor Making).
- ☐ Civic Sunday.
- ☐ Whenever the Mayor holds an official reception and on other occasions according to local custom.

5. NESTON TOWN FLAG AT HALF MAST * See above

The Neston Town flag should be flown at half-mast at the town hall from the day of death until after the funeral of:

- ☐ A Member of the Council.
- ☐ A Mayor of Neston Town.

- ☐ A Member of Parliament for the Town.
