Plastic Free Neston

The Town Council continues to support the community effort to achieve Plastic Free status. I attend steering group meetings on behalf of the Council and I took the lead on the Community Allies objective (minimum of 20 community allies) which has now been achieved. The remaining objectives are being worked on collaboratively.

Cheshire & Warrington Sustainable & Inclusive Growth Commission

(minute 21, 22/11/22)

Clarification has been sought about the status of rail within the Commission's plans and a response is awaited.
