

	<i>Meeting (No)</i>	Community & Environment (10)
	<i>Date</i>	18 April 2023
	<i>Document</i>	<i>Ref No</i>
	Replacement Litter Pickers	CE10/120

Community litter picks are co-ordinated by Cllr Griffiths. The litter-picking equipment available for community use is reducing due to general wear and tear. The Committee is therefore asked to consider purchasing additional litter picking equipment for community use at a maximum cost of £150+VAT from budget 4208 (Environmental Improvements).
