

## Neston Female Society

Thank you for informing the Society that Neston Town Council is offering us a community event donation towards the Ladies Day support & entertainment.

We are planning to contract the Stilt Walkers, who were very popular last year and also the lady who makes animal shapes from twisted balloons (rubber so bio degradable).

This donation also supports the Society to engage First Aiders to ensure a speedy response on the day should this be needed.

costs:	Stilt Walkers	1100.00	confirmed
	Twisting Balloons	350.00	estimated depending on final No. of hours works
	First Aid support	120.00	maintained from 2023
		-----	
		£ 1580.00
