The 2022/2023 Annual Report was received.

The Mayor of Neston noted the negative impact on the town caused by the loss of the Post Office in Neston High Street. It was requested that spare copies of the Annual Report were to be made available to members of the public in the Warm and Welcoming Space, being replenished twelve copies at a time. Copies also to be shared with "About My Area", and on social media. The Annual Report is to be made available online and widely shared.

## 3. Question Time

No questions were received. The Mayor closed the meeting at 6.11pm and invited all those in attendance to join her for refreshments.
