Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations or standing orders relating to contracts, which may be adopted in the future.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the Council. The Finance Manager is currently appointed as RFO.

1.9. The RFO;

1.11. The accounting records determined by the RFO shall in particular contain:

- a record of the assets and liabilities of the Council; and
- wherever relevant, a record of the Council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1.12. The accounting control systems determined by the RFO shall include:

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

- have no involvement in the financial decision making, management or control of the Council

2.7. Internal or external auditors may not under any circumstances:

- perform any operational duties for the council; [for the sake of clarity, this does not prevent the internal auditor being appointed as Data Protection Officer]

4. Budgetary control and authority to spend

4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- a duly delegated committee or Council for all other items over £1,500 up to £10K
- the Chief Officer or RFO in conjunction with Chairman of Council or Chairman of the appropriate committee, for any items over £500 but below £1,500.
- The Chief Officer or other authorised officer for all other items up to £500.

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the RFO, and where necessary also by the Chairman of the Council or chairman of the appropriate committee.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the Council, or duly delegated committee. During the budget year and with the approval of Council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement'). The appropriate committee will make recommendation to Council for 'in year' changes.

4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

4.4. The salary budgets are to be reviewed at least annually in [October] for the following financial year and such review shall be evidenced by a hard copy schedule signed by the RFO and the Chairman of Council or Chairman of Human Resources Committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.

4.5. In cases of extreme risk to the delivery of Council services, Proper Officer or RFO may authorise revenue expenditure on behalf of the council which in the Chief Officer/RFO's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £10,000. The Chief Officer /RFO shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter. In the case of a Civil emergency, the Proper Officer may additionally incur expenditure in accordance with delegated authority set out in the Terms of Reference of full Council.

4.6. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.

4.7. All capital works shall be administered in accordance with the council's Standing Orders and any financial regulations/standing orders relating to contracts.

4.8. The RFO shall regularly provide the Council with a statement of income and expenditure to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. For payments and fund transfers within the councils banking arrangements above to the sum of £10,000, the schedule must be submitted to Council for approval of the release of funds before payment can be made.

5.5. When expenditure is authorised in accordance with Regulation 4, the Council owes the money once the work, goods or services have been satisfactorily received to the Council. Payment authorisation is therefore technically for the release of funds and cannot be withheld without good reason.

An authorised officer (not necessarily a signatory) will enter the schedule in to the bank account payment section.

In practice this may be combined with the requirements of 6.6, 6.7 and 6.8.

5.7. A record of regular payments made under 5.6 above shall be drawn up and be signed by two members on each and every occasion when payment is authorised - thus controlling the risk of duplicated payments being authorised and / or made.

5.8. In respect of grants a duly authorised committee shall approve expenditure within any limits set by council and in accordance with any policy statement approved by council. Any Revenue or Capital Grant in excess of £10,000 shall before payment, be subject to ratification by resolution of the Council.

If the council genuinely believed the value would be under £30,000 but the tenders came in above that, the Regulations do not require it to go back and start again.

Regardless of whether the opportunity was advertised, Regulation 112 requires a council to publish the award of a contract over £30,000 on Contracts Finder within a reasonable timescale. There is no timescale set, but it is suggested within 3 months.

Each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract.

f) All sealed tenders shall be opened at the same time on the prescribed date by the Proper Officer in the presence of at least one member of council.

g) Any invitation to tender issued under this regulation shall be subject to Standing Order 26.7 and shall refer to the terms of the Bribery Act 2010.

h) When it is to enter into a contract of less than £30,000 (excluding VAT) in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph (a) Officers shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £100 the Officers shall strive to obtain 3 estimates. Otherwise, Regulation 10.3 above shall apply.

i) The council shall not be obliged to accept the lowest or any tender, quote or estimate.

j) Should it occur that the Council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the Council requires further pricing, provided that the specification does not change, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.
